The new Holiday Inn – Johnny's Italian Steakhouse in Eau Claire is an exemplary product of vision, planning, teamwork and execution. The stylish 4-story, 130 room facility takes advantage of its prominent I-94 location while creating a comfortable, relaxed atmosphere. Attention to detail and the commitment to adhere to the franchise's standards and specifications resulted in accolades from Holiday Inn Corporate. Guests and patrons note the welcoming outdoor fire pit, the classic upscale restaurant and appreciate the sound dampening implementations evident throughout the hotel and restaurant. This facility is an attribute to the Eau Claire community.
